Mrs. E. C. Elliott.

The death of Mrs. Estella Elliott occurred Friday afternoon after an illness of many months. She has been a sufferer from carcinoma and underwent an operation about a year ago which failed to stay her trouble.

Estella Humphrey was born in Coaticook, Vt., 45 years ago and spent her early life in Newbury until coming to Barton when she was about 18 years of age where she was employed in the Peerless factory and in April 1895, married Mayland Whitcher who died in October, 1902. She then went to Springfield, Mass., for a short time after which she returned and was again employed in the Peerless factory until in June 1908, she married Elvin Elliott and went to live at the Elliott home where she has been a faithful and efficient helpmate. Her cheerfulness, sympathy and willingness to help those in need, greatly endeared her to her many friends. In her last illness her sufferings were intense but she bore them bravely, even thinking of the comforts of others while so sick herself.

She was very tenderly cared for and all that loving hands could do was done. Her home was one of love and thoughtfulness. She was always ready to give a warm welcome. While we miss her we will recall the kind and cheerful words she was wont to give. She will be missed but not forgotten. She was an unusually devoted and affectionate wife, companion and friend. She leaves to mourn her departure her husband, mother, stepdaughter, five brothers, Elsworth, Guy, George, Charles and Ernest Humphrey; two sisters, Maud and Bertha besides a host of friends.

The funeral services were held at the home Monday afternoon at two o'clock, Rev. M. A. Turner of the M. E. church officiating. The bearers were George Humphrey, Lester Kinsley, Elsworth Humphrey and Walter Lewis.

The floral tributes were many and beautiful and testified to the esteem in which she was held.

SPLENDID START MADE BUT FAR FROM GOAL

Farm Bureau Sponsor for Club Leader Work and Backs This Campaign to the Limit. Boys' and Girls' Exposition Planned in Fall.

We are off in the campaign in Orleans county for \$2000 to give the boys and girls an experienced club leader, who in turn will secure local club leaders and organize nearly every community into a community of achieving young people.

But the goal is \$2000 and without your help, the splendid possibilities of this great movement may not be realized.

What if we do not raise the \$2000 in this drive necessary to properly carry on club work? Will we obtain any money for any kind of club work from state or government sources?

Absolutely not! The \$1500 which will be paid into
